Self-Attestation form

I, Rakesh Kukatta, do not have my own transportation and need a bus pass to maintain a job search and/or employment as I have no other method of transportation, nor do I have another source to obtain a similar bus pass.

I have been provided with a 31-day BC Transit pass to assist me in continuing my job search and/or maintain my work schedule.

I also recognize that possession of this pass is my responsibility, and it cannot be replaced if it is lost or stolen.

I recognize that future bus passes (a limited amount) are contingent upon continuing my job search (or employment), recording my job search attempts, and adhering to Broome Career Center appointments and policies.

I understand that Buss Passes cannot be provided on-demand and that Workforce staff may need 7 work days to process my request for another one, therefore, I will contact Workforce staff at least 7 work days prior to my need for another Bus Pass.
