Your New York State Driver License will be suspended for 142 days effective 06/25/2022.
CAUSE: FAILURE TO MAINTAIN CONTINUOUS VEHICLE LIABILITY INSURANCE COVERAGE.

Section 318.1 of New York State Vehicle and Traffic Law requires that all registered vehicles have liability insurance at all times, even if not driven. We have not received electronic confirmation of new or reinstated coverage from an insurance company for the vehicle registered in your name described on the tearstrip below. This suspension is issued because your insurance was cancelled before your plates were surrendered to DMV. The length of the suspension equals the number of days your vehicle was registered and uninsured. PLEASE FOLLOW THE INSTRUCTIONS BELOW.

You must IMMEDIATELY turn in any and all items (including any duplicates) to the DMV office listed below. The time period you must wait before you can drive again will not begin until you have turned in the items listed or have notified the Department that you are unable to do so. You may be eligible for a restricted use license after you clear other suspensions on your record. Contact the nearest NYS DMV office. The fee for a restricted use License is \$75.00. There may be additional fees. To clear this suspension, you must pay a \$50 suspension termination fee. You can pay by credit card on the NYS DMV website (www.dmv.ny.gov), or in person by cash, check, money order, or credit card, at the DMV office listed below.

DEPARTMENT OF MOTOR VEHICLES, 81 CHENANGO STREET, BINGHAMTON, NY 13901
