

Johnson City Police

On November 25, 2022 I was at the Red cross on Harry L drive in Johnson city. I volunteer for the Red cross and I also donate blood at this location.

Johnson City Police (one female and two males) detained me outside the Red cross door as I was leaving the location. They then took me to the station in Johnson City and finally released me at the Station on the same day November 25, 2022.
