Good Afternoon,

I received your phone message. Your repatriation checks were to be authorized bi-weekly until your TA case became active. BCDSS authorized a check for you on 6/24. The next check should have been picked up on 7/8, but you chose to come in on 7/12. Your case was active as of 7/23. So this was less than 2 weeks before your TA case was active. I checked with OTDA and was informed that if you chose to pick up your check on 7/12 and your TA case became active on 7/23, you were not eligible for another check since payments are bi-weekly. Your repatriation case was closed on 7/23 when your TA case became active.

Thank you

Jessie Sullivan

Deputy Commissioner of Assistance Programs

Broome County Department of Social Services

Hi Jesse,

Although, I picked up the check on 7/12, my understanding is that, it was a biweekly check (covered two weeks and was the same amount as the one prior to it, and not an amount and period including and upto 7/12).

I tried to go back to get the check amounts, unfortunately I do not have the images saved. Do you have the check amounts? Is the second one more than the first one?

Thanks,
Rakesh.

Hi Rakesh,

Ms. Sullivan called me back in July to ask if you were eligible to receive another check for \$79 after you picked up your repatriation cash assistance on 7/12/2022; I let her know that two weeks had to pass in between each check (it goes by when you receive your cash assistance), so your next cash assistance check would have been issued on 7/26/2022. However, your temporary assistance benefits became fully active on 7/23/2022, and at that point, you became ineligible to continue receiving repatriation cash assistance.

Your repatriation case was officially closed over two months ago on 8/2/2022, and no further repatriation assistance or activity can take place after a case is officially closed.

Best,

Linda
