Self-Attestation form

I, ^{Kukatta}
Rakesh Kukatta, am seeking employment and need a bus pass for my job search activities as I have no other method of reliable transportation.

I have been provided with a 31-day BC Transit pass to assist me in finding work. I recognize that the number of passes I receive will be a maximum of six, and I must be seeking work to receive them.

I also recognize that possession of this pass is my responsibility, and it cannot be replaced if it is lost or stolen.
